Barnstable HS Volleyball to honor the memory of former player Olivia Brodt at banner ceremony

*On Friday September 8th, Barnstable High School Volleyball will be retiring the number of former Red Raider Olivia Brodt '15, who lost her battle with cancer in April 2017 at the age of 20. There will be a ceremony at approximately 4pm, prior to the Red Raiders first home game of the season vs Dennis Yarmouth to honor Brodt, an MIAA D1 State Champion and All State player. A banner will be permanently hung in her memory in the BHS gymnasium. Olivia valiantly fought cancer (Alveolar Rhabdomyosarcoma) from her diagnosis in April 2016 until her passing a year later. She will be remembered as an inspiration to her teammates, coaches and the entire BHS community.
All are invited to attend.*
