www.BarnstableVolleyball.com

Dear Family and Friends and Community Supporters of Barnstable Volleyball:

We are reaching out to you, as an important part of our local community, and a potential advertiser in our 2022 Volleyball Program Ad Book. You may be a family member, friend or player on the Varsity, JV or Freshman teams, or a business who has supported us with an Ad in previous year's Ad book.

Each year this professionally printed Ad Book is one of our biggest fundraisers. The ad you place can be a photo, a photo collage, a phrase or quote, a business slogan & logo or a simple business card. All funds raised go directly to support the teams shirts, travel bags, equipment, and end of season banquet, and other necessities not covered by the School.

The Ad books are available for purchase at home games and will be seen by all visitors and fans of Barnstable Girls Volleyball. We are asking for your support in placing an ad in the 2022 Ad book. Thank you for your support!
